

ALLIED SEABREEZE OWNERS ASSOCIATION

E.M. Reardon, 31 West Lane, Bay Shore, N.Y. 11706

8 January 2002

Dear Fellow Seabreeze Owner:

Never in the annals of the ASOA have two newsletters been mailed within two weeks. The reason for this extraordinary mailing is straight forward - the invitation to Essex for lunch on February 9th elicited an invitation from Michael and Lynn Adler to stop by their home to see the progress Michael is making on Dulcinea. The boat is in an enclosed shelter on their property and the invitation is to stop by after lunch to see the boat and enjoy a libation with the Adlers afterward.

The Adlers live Guilford, about 20 - 25 minutes down along the coast from Essex. They would appreciate a call if you plan to stop by. Their home phone number is (203) 453-4020 and Lynn's cell phone number is (203) 530-3547.

Hank Towers will also need a call a couple of days in advance if you are planning on attending the luncheon. Please call him at (860) 767-1822 so he can give the Essex YC an idea of how many guests he is going to have.

A couple of additional minor news items: We have a new owner for #30 and additional information on the new owner of #55. That information is shown below. Also, the list of e-mail addresses included in the last mailing was obsolete; only the date had been changed. The list on the back of this letter represents the latest information that I have.

I appreciate the contributions that have come in over the past few weeks, particularly because they were all payable to me. I commend you all on your memory, thereby keeping me out of trouble with my bank. Please note, though, that the enclosed contribution list only goes through 2001. Unless your check was specifically directed to last year, it will appear in the 2002 statement.

Hope to see you in Essex,

SEABREEZE OWNERS
